

# Investment Services

Motavo Venture Group's 5-stage Investment Strategy combines focused professional services and capital investment to produce increased valuations and successful funding for organizations.

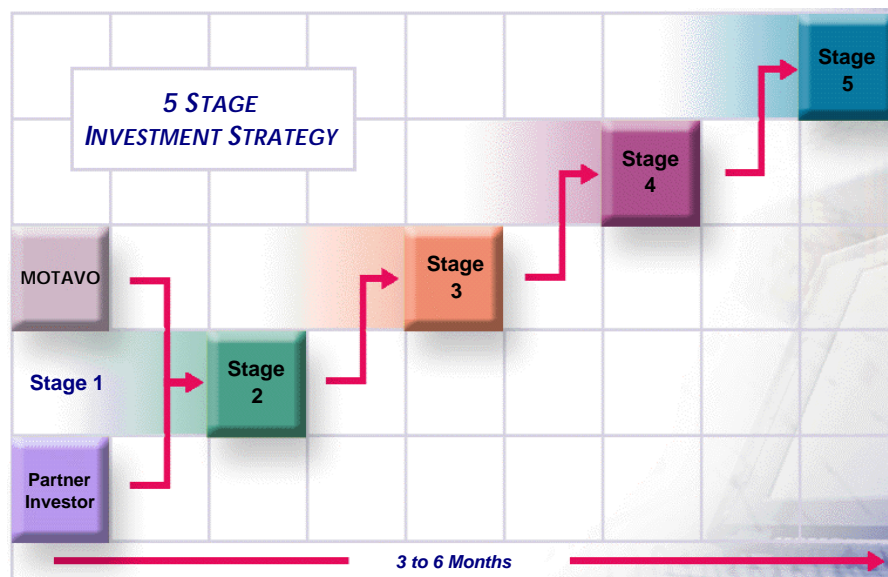

*Stage 1—Business Validation and Evaluation*

*Stage 2—Initial Investment or Convertible Bridge Loan*

*Stage 3—Focus Organization & Position for Funding and Ongoing Operations*

*Stage 4—Business/Corporate Development to Prepare Funding Package*

*Stage 5—Assist Organization with Securing Follow-on Round of Funding*

- **Organization's value grows, creating increased ROI and managed risk for investors**
- **Initial Investment/Bridge Loan repaid with Stage 5 funding or converted to stock**
- **Organization meets financial goals and is better positioned for success**
